PAYMENT PLAN FORM

I, _____, recognize that failure to pay all charges by the agreed payment plan due dates may result in a loss of privileges regarding CKC services and reduced or loss of access to training camps and trials. I also understand that any payment to CKC will be credited first to any delinquent charges and then applied to the Event Costs. I also understand that retirement from the sport and consequently membership to CKC does not release me from this payment plan obligation.

Athlete details:	
Athlete Name
