The objective of this selection policy and procedures is to select the maximum number of medal potential athletes for the Lima 2019 Pan American Games.

In the event that the International Canoe Federation Olympic Qualification System for the 2020 Olympic Games incorporates the 2019 Pan Am Games, Canoe Kayak Canada is bound by these changes and will inform the membership as soon as possible of any impact this will have on the 2019 Pan Am Games selection procedures contained within this document.

It is the intent that Canoe Kayak Canada will fund any qualified athletes that exceed those funded through the Canadian Olympic Committee.

The HPC is responsible for ensuring these criteria, in alignment with CKC and COC policies, are developed for the purposes noted in this document. The CTO, HC and a member of the HPC will form the Selection Panel. The Selection Panel will make recommendations to the HPC for review. In making nominations to the COC for selection to the Lima 2019 Pan American Games Team the CTO will have the final selection authority for CKC. During the actual competition period the decision making authority will reside with the CTO. This includes entries, representation and all matters pertaining to the CKC team representing Canada at the Lima 2019 Pan American Games.

G. Unforeseen Circumstances

These criteria are intended to apply where fair racing conditions exist, and specifically, where no athletes are prevented from racing because of an unforeseen injury or other unanticipated circumstances. Situations may arise where unforeseen circumstances or circumstances beyond CKC's control do not allow racing or team/crew selection to take place in a fair manner or in the best interests of the priorities and general principles for selection as indicated in these criteria; or do not allow the procedure for nomination as described in this document to be applied.

In the event of such unforeseen circumstances the CTO will, where possible, consult with the HC and the HPC to determine if the circumstances justify racing or selection should take place in an alternative manner.

H. Appeals

Nominations to the COC under these selection criteria to the Lima 2019 Pan American Games Team may be appealed under the Appeal Policy of CKC. Appeals are restricted to those Athletes who have fulfilled the eligibility requirements noted above. This policy can be found at www.canoekayak.ca.

If both parties are in agreement, the CKC Appeal Policy may be bypassed and the matter brought immediately before the Sport Dispute Resolution Centre of Canada (SDRCC) who will then manage the process.
