The Ottawa River Canoe Club is a sprint racing canoe and kayak club dedicated to fostering the sport of canoeing and kayaking, while enabling participants to achieve a positive self-image and a healthy attitude towards the sport in a spirit of cooperation and fair play. ORCC youth and adult programs span recreational, adaptive, pre-competitive and competitive sprint paddling. Youth programs include Canoe Kids, Regatta Ready and sprint training programs.

Canoe Kids Program:

The Canoe Kids program provides a fun camp environment for children to learn fundamental canoe and kayak skills and to encourage a lifelong interest in paddling. The Canoe Kids program is designed to provide children an opportunity to paddle and socialize with their friends in a fun team environment. Campers develop water safety awareness and paddling skills while increasing their confidence on the water. The camping day includes on-land active games, crafts, and discovery time. The focus is on summer fun!
